

**URGENT
ACTION**

SUDAN

The Sudanese Human Rights Network (SHRN) had received perturbing news about a campaign of mass arrests amongst resident of El Salam camp for the displaced in Nyala, South Darfur; the arrests are schemed and executed by a joint security force. This cruel campaign, has detained about 70 people from El Salam camp, many of them were released a few days later while the others were taken to an unknown destination.

SHRN expresses concern about the conditions of detainees in detention centers, particularly increasingly troubled at the reports that the campaign's agenda surpasses just imprisonment; it terrifies the camp residents, destroys, and implements expropriation of the possessions and savings belonging to the displaced.

SHRN has obtained a list of 26 detainees. The list is not complete, and as the formulation of this statement, we are still working to secure a list of all the names of detainees. The following is the list of the names we have obtained so far:

- 1- Jamal Abakar Mahmoud
- 2- Ahmed Sharaf Tegani
- 3- Yousef Younis Adam
- 4- Eisa Adam Khater
- 5- Bashir Abdelllah Yaqoub

Recommended Action:

Please send faxes either in Arabic, English or in your own language to:

- Expressing concern at the persistence of continuing violations of human rights and the retraction of official commitment to the norms of international conventions and treaties
- Urging the Sudanese authorities to release all detainees immediately and unconditionally
- Requesting assurances that the detainees are being humanely treated, that they have immediate and regular access to their family, lawyers, and any necessary medical attention
- Requiring international and regional organizations to immediately intervene and appeal to the Sudanese government to stop the abuses against its citizens.
